

RI LAND AND WATER CONSERVATION SUMMIT
MARCH 14, 2015

THE RI WILDLIFE ACTION PLAN & YOU:
LAND CONSERVATION & MANAGEMENT DECISION-MAKING TOOLS

Amanda Freitas, RINHS and Rick Enser, RI WAP

List of Resources:

Conservation Opportunity Area Mapping:

<http://ridemgis.maps.arcgis.com/apps/webappviewer/index.html?id=63f3ef956b3e4711ab3f8dd8349f346e>

RI WAP website (<http://www.dem.ri.gov/programs/bnatres/fishwild/swap15.htm>) includes drafts (soon to be finalized) of all of the following:

- Species and Habitat Fact Sheets, including:
 - [SGCN Bird Profiles](#)
 - [SGCN Herpetofauna \(Reptile & Amphibian\) Profiles](#)
 - [SGCN Mammal Profiles](#)
 - [SGCN Fish Profiles](#)
 - [SGCN Invertebrate Profiles](#)
 - [SGCN Key Habitat Profiles](#)
 - [Profile Introduction and Map Disclaimer](#)
- [RI WAP and RI WAP DRAFT Companion Guide](#) for local communities, conservation groups, and citizens

PLEASE NOTE: DEM will be undergoing a website revision as early as this spring, and the RI WAP website links are likely to change. Please call or email the RI WAP Community Liaison for assistance:

Amanda J. Freitas
Rhode Island Wildlife Action Plan
Community Liaison
235 Promenade Street
Providence, RI 02908
401-222-2776 ext. 2017
amanda.freitas@dem.ri.gov

Rhode Island Wildlife Action Plan Community Liaison is a collaborative project of the Rhode Island Natural History Survey, a non-profit corporation, and the Rhode Island Department of Environmental Management undertaken to promote participation by municipalities and other community interests in the development and implementation of the 2015 Rhode Island Wildlife Action Plan. The Community Liaison is an employee of RINHS providing services to and not acting for or as an agent of RIDEM.
